Town of Queensbury

REQUEST FOR PROPOSALS

Elevator Design and Building Modifications

The Town of Queensbury is actively seeking proposals from qualified engineering firms for the design and creation of specifications for the installation of a two level elevator system at the town's main office complex located at 742 Bay Road, Queensbury, New York 12804

The selected engineering firm will be challenged to deal with existing infrastructure and blending both the exterior elevator shaft as well as interior elevator appearances to match existing finishes.

It is reminded that if there are references in this document to specific equipment brands or specifications is purely subjective and should be open to the engineering firm's verifications as validation.

Specifications for this RFP may be obtained at the Purchasing Agent's Office, 742 Bay Rd, Queensbury, NY 12804 during normal business hours any weekday until 4:00 PM on June 26, 2018 or by email at joannew@queensbury.net.
