

Hazard Mitigation, Stormwater and Resource Protection Presentation and Training session

[Townwide Stormwater matters]

[Queensbury, NY], [November 14, 2017]: The Queensbury Planning Office with Warren County Soil and Water Conservation District interested members of the public to discuss Hazard Mitigation, Stormwater and Resource Protection in the Town. **The event will be held on November 14th following the 7pm regular scheduled Planning Board meeting at the Queensbury Activity Center.** The event is free and will provide an overview of the Town's MS4 program and discussing potential solutions to reduce stormwater impacts in the Town. Program questions can be forwarded to the Planning Office at 761-8265.
