INTRODUCTION

This document was written with several intentions, not the least of which is to make the job of the Planning Board, Planning Staff, and ultimately that of the applicant, a smoother and more cohesive process.

The purpose of this document is:

1. To provide an informational resource on commonly asked questions concerning Planning Board process;
2. To establish policies for application processing and review;
3. To serve as the rules of conduct for Planning Board meetings; and
4. To detail Planning Board member Code of Ethics.

Included also are the Planning Board Bylaws. Bylaws are the operating rules of an organization, which are based on the authority given to that organization which enables it to exist. Bylaws are a formal set of secondary rules which govern the internal affairs of the organization.

Policies and procedures need only the approval of the Planning Board, which is done via Resolution. Policies are guiding principles and procedures are a set of methods or forms established to conduct the business of the Planning Board.

1. PLANNING BOARD BYLAWS: Establishment and Purpose

1A. Planning Board

The Planning Board, created by the Town Board of the Town of Queensbury, is established pursuant to Section 271 of Town Law.

The Planning Board is established to review site plan and subdivision applications and advise and make recommendations to the Queensbury Town Board regarding matters, which will contribute to the planning and development of the Town of Queensbury, as it deems desirable. The Planning Board shall perform other duties as mandated by law.

1B. Bylaws

The Bylaws of the Town of Queensbury Planning Board are hereby established, effective April 24, 2001. These bylaws may be amended from time to time by an affirmative vote and Resolution of two-thirds of the members of the Planning Board.

2. ORGANIZATION

The Planning Board shall annually make a recommendation (before its organizational meeting) to the Town Board and the Town Board shall annually designate a member of said Planning Board to act as Chairperson thereof. The Planning Board shall annually elect a Vice Chairperson and Secretary from its members, and other officers, as it deems necessary. In case the Chairperson and Vice-Chairperson are absent, the Planning Board may appoint a temporary Chairperson.

7A. Town Code

Rules of ethical conduct for public officers, employees, and administrative Board members of the Town of Queensbury are governed by the Code of Ethics as adopted by the Town Board of the Town of Queensbury and as outlined in Chapter 14 of the Code of the Town of Queensbury.

The Code prohibits a Planning Board member from participating in any official action affecting the Board member's own pecuniary or material interests, or that of his or her immediate family or his or her firm, partnership, or association; from using the position to obtain an unwarranted privilege; or from acting in a manner that would cause a reasonable person to conclude that the Planning Board member can be improperly influenced or that a person could unduly enjoy the Planning Board member's favor in the performance of his or her official duties.

Modifications to subdivisions are subject to Planning Board review. A public hearing is required if the modification is considered material as determined by the Town of Queensbury Zoning Administrator or Planning Board.

7H. Planned Unit Developments (PUD's)

A Planned Unit Development (PUD) is a special zoning category which allows flexible land use and design through the use of performance criteria to meet the objectives noted in the Town of Queensbury Code, Section 179-51, and as amended. PUD's require a zoning map change to accommodate the overall concept. Subsequent development of the PUD requires Subdivision and/or Site Plan approval by the Planning Board. Other considerations pertaining to PUD's, as noted in the Town of Queensbury Code, must be followed.

7I. Application Forms

Application forms for subdivision and site plan approval are available at the Department of Community Development. Application forms may be changed from time to time to reflect changes in Municipal Codes or affiliated regulations.

3. Procedure

The Zoning Administrator shall notify relevant applicants of their eligibility for inclusion in the expedited process and explain the procedure. The Zoning Administrator shall evaluate a completed site plan application for eligibility and place the application on the Planning Board agenda for consideration by the Board.

The Planning Board Chairman shall conduct a public hearing of all projects on the expedited list. The Chairman shall poll the public in attendance at the Planning Board meeting for participation in the public hearing process. If there is no indication of participation, the Chairman may advise the applicant that his/her comments are not necessary, unless Planning Board members have questions, or if the project is recommended for further review by the Planning Board. Should public participation be extensive, the Chairman may recommend the project be further reviewed by the Planning Board.

After opening and closing the public hearing(s), The Planning Board Chairman shall invite discussion on the projects from the members of the Planning Board.
