

TOWN OF QUEENSBURY

742 Bay Road, Queensbury, NY. 12804-5902

November 2024

Dear Queensbury Property Owner,

My office has started the process for our planned 2024 Town-wide Revaluation Project. We are in the midst of retaking exterior photos and confirming exterior conditions for all the properties in the town.

The next step is to verify the interior data items and condition of your property. We are asking for your assistance. Located on our Town website www.queensbury.net, under the Quick Links section you will find the **Property Locator** link. Using that tool you have the ability to search for your property by tax map #, owner names or address....there you will be able to review the inventory (size of buildings, # of baths, bedrooms, etc...) we have listed on our records.

Please take a few moments to verify that very important interior information. The correct inventory is VITAL to our valuation process. I can't stress strongly enough how important your co-operation and honesty are necessary for a successful project.

We will assume what is on our records is correct but if you should find errors or if you prefer a paper copy of your inventory to review please contact us at 518-761-8244/8245 as soon as possible.

We are grateful for your prompt attention. Your co-operation will enhance our ability to maintain a fair and equitable assessment roll. Please feel free to call my office with any questions or if you'd like to schedule an appointment at 518-761-8244/8245.

**You are invited to attend a
